

5/15/22

For small groups please discuss the different ways we can obey Jesus' command "Remember Me." I mentioned these in the morning's message. You could start with these or make your own way. Whatever works.

1. Remember Jesus washing Judas' feet offering one last opportunity of repentance.
2. Remember Jesus giving thanks to the Father who ordained all of this.
3. Remember Christ's saving work on the cross, his body broken, His blood spilled. The pain, rejection, loss, injustice and horror of it.
4. Remember that in Christ we have a point of union greater than all points of difference. This is a second point in common which blessedly overcomes the first, that we are all hell-bound sinners.
5. Remember the purpose of His sacrifice – to glorify the Father by making a way for the Father to bring many sons and daughters to glory (Hebrews 2:10).
6. Remember the purity of His sacrifice – in the following verses Paul warns the CoC to not treat this observance lightly, but to come to it with an examined and clean heart.
7. Remember to proclaim His sacrifice.
8. Remember the future – we are to do this until He comes. He will come and drink the fruit of the vine anew with us in heaven (Matthew 26:29).
