### Small Group Questions

1. The situation of dead people everywhere in Numbers 16 gave rise to the instructions of Numbers 19. We are to understand that the disqualification of so many people from clean standing before the Lord was a problem of no small proportion. It needed immediate and urgent remedy. We are much less careful of and urgent about right standing before the Lord. What is wrong in us to make this possible? How may we make it right?
2. We don't have a process of cleansing like the People of Israel did in Numbers 19. What habits may we implement in our own lives to remain clean before the Lord?
3. Many Christians excuse themselves from opportunities and needs of service in the church because of past failure. According to Hebrews 9, is this a valid excuse? How might a Christian counsel his brother or sister in Christ to encourage them to serve?
