Small group questions:

1. "The Culture" likes to accuse the Bible of originating "The Patriarchy." What is "The Patriarchy?" Is this a biblical concept? Is it related to a biblical concept?
2. The Daughters of Zelophedad stood up for their "rights." What were their reasons? Why were they good reasons? How does this inform our thinking about rights in our day?
3. When Christians are confronted by someone (Christian or not) focused on their rights, how should they respond?
