Small group questions

1. It can be easy to overlook the “Lazarus” types in our lives. Many of them have awkward personalities, pasts, even smells. Still, they are believers. How might we treat them badly? How should we treat them correctly?
2. How might American Christians love affluence more than they love God?
3. The Beatitudes at the beginning of Matthew 5 form a foundation for the way we think about our rights and what we value as Christians. What does that look like in daily living?
